All children from families at or below the income levels in Column A are eligible to receive meals, after school snack or milk at no cost**, if available (Special Milk Program). Column A is used for the National School Lunch Program and School Breakfast Program, or Special Milk Program.

In addition, Federal P.L. 94-105 makes mandatory the service of reduced price meals to those children from families within the range of incomes in Column B. These children must be provided with lunches at a price not exceeding 40 cents. If the Breakfast Program or an after school snack program is available, all children qualifying for free and reduced price lunches will also qualify for free and reduced price breakfasts and/or snack. The charge for a reduced price breakfast may not exceed 30 cents; the charge for reduced price snack may not exceed 15 cents.

Column B must therefore be used in providing reduced price meals.

**Service of free milk is optional.
